

Let the Wookie Win Tournament Pack

First off Ladies, Gentlemen and Wookies alike! I must apologise for the delay to this TO pack, work has been a little rushed making it difficult for me to sit down and have everything sorted!

Keeping tradition to the other years this will run a little differently to regular tournaments for X wing due to the time constraints of the show!

The days plan shall be a **FOUR ROUND** swiss event, with a break to enjoy the show and some lunch from the burger bus! The winner of the event shall be the player with the most tournament points, 1 point for a win, and the highest margin of victory of all the players! So king of swiss takes it!

Rules:

>Your squadron can be of the **EXTENDED** format and cannot exceed **200 POINTS**

>Your squadron must have all the faction cards belonging to the same keyword; Rebel, Resistance, Empire, First Order or Scum. If it is released two weeks before the event, as keeping with FFG policy wave 3 will be legal. Look at the Facebook for more info closer to the date.

>You must bring all equipment required to play; damage decks, rulers, dice and asteroids. All essential game components.

>You must submit a list for the event at least **TWO DAYS PRIOR** to the event to the TO, Seb Brady so I can pre register you for the event. This will speed things up on the Sunday morning.
